

/ Calling all Future Committee Members!

Are you interested in helping MCABC drive change and make a difference? Do you have specific skills and experience that you are willing to share as we work towards our five-year plan? Would you like to broaden your volunteer experience?

If YES to any of the above, we want to hear from you! As part of its governance model, MCABC is identifying the Committees necessary to support our broadened focus. Immediate recruitment is underway for the following Committees:

- 1. Service Committee** – Mechanical Service Contractors are core to our industry. This is an opportunity to be a part of a Board Committee that will identify and focus on necessary priorities for the service sector.
- 2. Conference Committee** – This year's MCABC Business Conference is a take-off on last year's event. The 2022 Conference is May 31 & June 1st at the River Rock Casino Resort in Richmond. The Operational Committee will help plan and deliver the in-person function. A mix of Contractors and Associate members is important. Associate members take note: your participation is key to the success of the evening event and we need your help on the Committee.

We are currently organizing dates for both Committees to meet. Please share your interest by emailing info@mcabc.org or calling Kim Barbero (Service Committee) or Sarah Jones (Conference Committee).
