

Meet Facilitator Marialejandra Reyes

FOUNDER AND
DIRECTOR,
EXPANSION WORKS
LEARNING AND
MANAGEMENT INC.

PROFILE

Originally from Venezuela, Marialejandra Reyes has a passion for women's empowerment and equal opportunities in men-dominated industries. Transitioning from her engineering career to becoming a professional social consultant, she has experience in facilitation, project management, and more. Marialejandra is an exceptional coach for women looking to advance in STEM careers.

The Rosie Peer Group Mentoring Program

The Peer Group Program opens doors for Canadian women who want to advance their careers in STEM, skilled trades, & leadership.

Are you a self-identifying woman interested in an opportunity to join a diverse, and influential community of like-minded women who are interested in skills development and broadening their personal and professional networks?

Program Details

Free 12-month virtual program with peer groups expected to meet once a month for two hours.

Peer groups will be created based on profession, career stage, and goals and objectives.

Group Criteria

Experience Level: Women having newly entered a management or leadership position (5-10 years of experience) in a STEM industry looking for guidance and career advancement as it relates to their professional and personal development.

Focus Area: STEM

Kickoff Meeting: October 5, 2022 at 3 pm PST/6 pm EST*

*Kickoff meeting is mandatory for peer group participants selected.
