

Meet Facilitator Megan Gill!

REGULATORY
MANAGER, CAPITAL
POWER
FOUNDER AND
EXECUTIVE COACH,
REPOWERED
LEADERSHIP

PROFILE

Megan Gill is a certified executive leadership coach and a regulatory professional with 15 years of experience in the Alberta power industry. Her passion for leadership and creative problem solving, combined with her ability to bring clarity and perspective to situations, makes her an exceptional coach for women early in their careers looking to develop their leadership skills.

The Rosie Peer Group Mentoring Program

The Peer Group Program opens doors for Canadian women who want to advance their careers in STEM, skilled trades, & leadership.

Are you a self-identifying woman interested in an opportunity to join a diverse, and influential community of like-minded women who are interested in skills development and broadening their personal and professional networks?

Program Details

Free 12-month virtual program with peer groups expected to meet once a month for two hours.

Peer groups will be created based on profession, career stage, and goals and objectives.

Group Criteria

Experience Level: Women having newly entered the workforce (1-5 years of experience) who are looking for guidance and support as it relates to their professional and personal development.

Focus Area: Leadership

Kickoff Meeting: September 29, 2022 at 3 pm PST/6 pm EST*

*Kickoff meeting is mandatory for peer group participants selected.
