FOUR SEASONS RESORT
WHISTLER, BC

EVENT DETAILS

June 14-16, 2023

Four Seasons Resort
4591 Blackcomb Way, Whistler, BC

MCABC has a long history, but it's the future we are focused on. Fueled by our passion for improving the industry and the lives of all British Columbians, the 2023 MCABC Business Conference will explore how the mechanical contracting industry can be at the forefront of progress.

This year's conference will explore topics such increasing diversity in the workspace, adopting cutting-edge technologies, and adapting to the industry's advancing systems and processes.

The Four Seasons Resort in Whistler, BC is a luxury hotel at the base of the Coastal Mountain Range and just steps from the main village. The spacious and elegant guestrooms are the perfect place to unwind after a busy day of networking and learning.

WHY BE AN EXHIBITOR?

The trade show is a showcase for your company and the Conference is a networking event like no other. As an exhibitor, you will get your business in front of an engaged audience of mechanical contractors and will have the chance to network with industry leaders and changemakers. With keynote speakers, educational sessions, and networking events, this Conference will attract key players in the mechanical contracting industry.

Shine a light on your services and/or products at the trade show while making valuable business connections. Delegates will have plenty of time to visit your booth and engage with you directly.

For additional chances to secure new connections, we encourage exhibitors to purchase full delegate passes (discounted rate available for up to two staff) which includes the Welcome Reception on Wednesday, social event on Thursday night, all meals and coffee breaks. The pass gives you the opportunity to sit with your clients during the educational sessions and keynotes.

Trade Show Exhibitor Passport

Every delegate will receive a Trade Show Exhibitor Passport at registration. After visiting each exhibitor, the completed passports will be entered into a draw for prizes. This tactic will ensure high traffic at your booth!
